

GASIA POA WASTE MANAGEMENT SERVICES

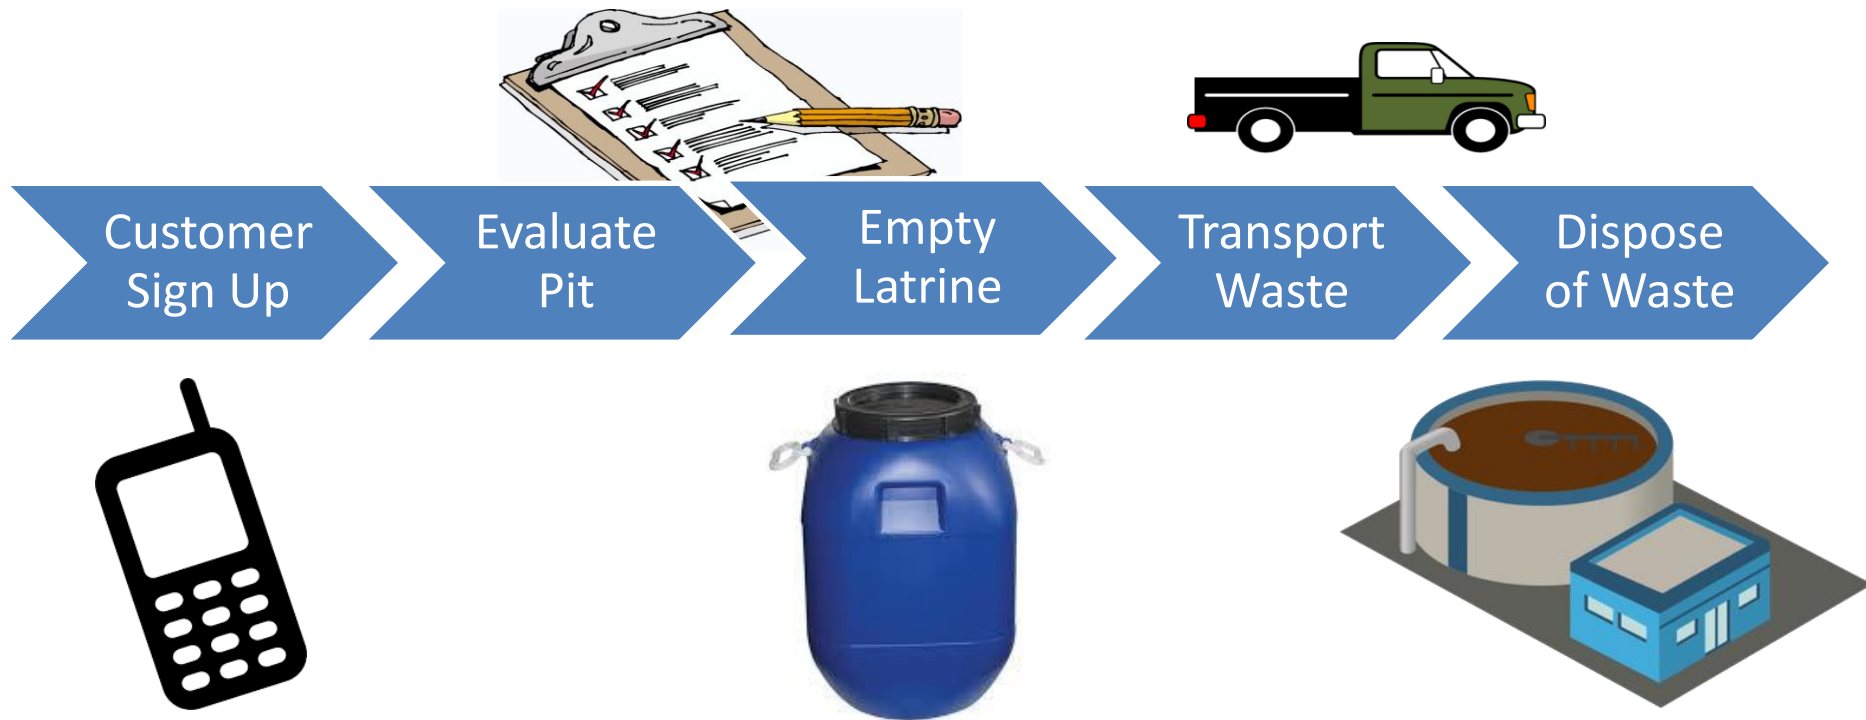

- **WHO ARE WE?** Gasia Poa is a legal entity licensed both by the County government and KIWASCO to provide Waste Management Services.
- Gasia Poa Waste Management offers two key services to the residents of Kisumu.
 - ❖ Solid waste management services.
 - ❖ Fecal sludge Management services

Our Value Proposition

Gasia Poa ensure safe hygienic and professional service provision to its customers particularly in the Low Income Communities. Gasia Poa provides a solution by moving the waste out of plots hence creates a more safe environment to live in. At Gasia-Poa, client satisfaction is our delight and excellent professional service delivery sets us apart from our competitors.

Gasia Poa through its marketing team sells its service to customers and generates its revenue.

The service process

Emptying of Sludge

TRANSPORTATION

What needs to be done

- Enforce SOPs and regulations
- Introduce charges for non-compliance by manual emptiers
- Develop a cost-effective sludge transportation model for manual pit-emptying businesses

DISPOSAL

WSUP
Water & Sanitation
for the Urban Poor
