sustainable investments.*

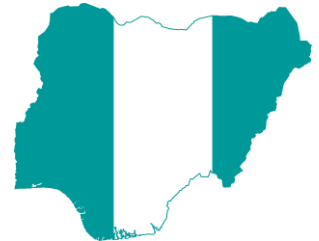

When

July 30-31, 2019

Where

Impact Hub Lagos
7A Milverton Road, Ikoyi, Lagos.

Who

This marketplace forum is particularly relevant for:

- Water utilities, technology providers
- Small and Medium Enterprises operating in the water & sanitation sectors
- Multinational companies with interests in the water & sanitation sectors
- Investors (banking, asset management, private banking, foundations, corporate companies)
- Water & sanitation institutions (foundations, coalitions, NGOs)
- International organisations, national governments, development institutions
- Business and innovation incubators
- UN agencies with interest in WASH and IWRM

Why

This marketplace forum is bringing water and sanitation innovators, investors and other stakeholders together to accelerate innovation and diffusion, supporting sustainable technologies and business models for access to safe water and sanitation.

The design and delivery of this marketplace forum is **unique and effective** because the event is:

- **action oriented**
- **highly curated**
- **business-networking focused**
