

Incubator of business solutions targeting low income population

April 2018

OUR MISSION

Danone Communities empowers innovative social entrepreneurs to achieve sustainable social impact.

We do so by investing in social businesses as minority shareholders, providing capital, technical and managerial expertise, as well as networking.

Focusing on 2 major issues where we can bring expertise

6

CLEAN WATER
AND SANITATION

Provide access to safe drinking water

Today **4 billion** people don't
have access to safe drinking water.

2

ZERO
HUNGER

Reduce malnutrition

Today **155 million** kids are
stunted, with deficiency of minerals and vitamins.

TO DATE, DANONE COMMUNITIES HAS INVESTED IN 5 SAFE
WATER ENTERPRISES ACROSS 10 GEOGRAPHIES – IMPACTING
800.000 PEOPLE DAILY

WHY ARE WE HERE TODAY ?

We are looking for people interested in scaling up
the impact of decentralized safe water
enterprises:
